

高偉精密科技股份有限公司

- 負責人：蔡添來
- 網址：www.arden.com.tw
- 地址：408台中市南屯區精科南路28號
- 電話：04-2355-4488

企業沿革

- 1979年** ● 創建於台中市楓樹里一處雞舍改建的加工廠，當時取名「高偉工業社」
- 1984年** ● 因業務蒸蒸日上，重組成立「高偉超硬刀具股份有限公司」
- 1995年** ● 展開國外業務，到美國、德國、日本參加木工機展
- 1997年** ● 業務拓展到歐洲、東南亞各地，營業額逐年上升
- 1999年** ● 參加「台灣木工機械設計暨優良產品競賽」，榮獲優良設計獎
- 2001~2010年** ● 分別與 LMT、ONSRUD、MAKITA、LEE VALLEY、BOSCH、工研院技術合作
- 2012年** ● 取得台中市精密機械科技創新園區二期產業用地
- 2014年** ● 開始興建精密機械科技創新園區二期廠房
- 2016年** ● 取得新廠房使用執照
- 2017年** ● 遷廠至台中市精密機械科技創新園區二期
- 2019年** ●
 - 榮獲第 18 屆台中市金手獎
 - 榮獲 2019 年創新研發績優廠商 - 創新卓越獎
- 2020年** ●
 - 榮獲第 29 屆中小企業國家磐石獎
 - 榮獲鄧白氏連續三年中小企業菁英獎

主要產品

· 木工刀具、立軸機刀及木工配件

企業簡介

高偉精密於2017年進駐台中市精密機械科技創新園區二期，專業製造木工刀具與複合材料用刀，秉持著企業的永續經營，在製造流程和機械方面不斷的改善與升級，以達到精密還要更精密的產品。我們不僅為全世界知名品牌代工，也積極的將自我品牌ARDEN推向全世界，對外我們以客戶滿意度為導向，對內我們與員工一同成長交流，給予員工最佳的工作環境和員工福利，以達到三贏的局勢。

關於競爭力

- 一、擁有產品客製化的能力，具有自製化與客製化及少量多樣的生產能力，堪稱全世界第一。
- 二、擁有專業的技術研究，針對材料、角度分析、表面處理等問題，不斷技術研究、開發設計，使產品使用壽命延長、安全切削。
- 三、具備研發獨特的生產設備能力，和設備商共同開發研究獨特的專屬生產設備，使其達到生產效率最快、精度最高。
- 四、因經驗的累積教導客戶銷售技巧與商品陳設，更有一套產品的使用安全參數提供客戶使用，因此我們不只是商品買賣更是加值的服務顧客。

- 2012** • Acquired land in Taichung Precision Machinery Innovation Technology Park - Phase II
- 2014** • Commenced construction of production plant in Taichung Precision Machinery Innovation Technology Park - Phase II
- 2016** • Obtained government license to commence operations in the new Phase II plant
- 2017** • Relocated manufacturing plant to Taichung Precision Machinery Innovation Technology Park - Phase II
- 2019** • Awarded the 18th Taichung City Golden Hand Award
• Awarded the 2019 Innovation Excellence Award from the Taichung City Industrial Association
- 2020** • Awarded the 29th National Award of Outstanding SMEs
• Awarded D&B Top 1000 Elite SME Award for the third consecutive year

Introduction

In 2017, Arden Precision Technology relocated to Taichung Precision Machinery Innovation Technology Park- Phase II. We specialize in manufacturing woodworking cutting tools and composite material cutters. We uphold sustainable management of the enterprise and continuously improve and upgrade our manufacturing processes and machinery to produce ever-more precise products. We are not only an OEM manufacturer for the world's leading brands, but also actively promote our own brand ARDEN to the world. Externally, we are focused on customer satisfaction, and internally, we grow and communicate with our employees to provide them with the best working environment and employee benefits to achieve a win-win scenario.

營運管理

- 一、藉由經驗豐富技術人員的傳承與培育新技術人員的交流，提升技術競爭優勢。並且以客戶為主、供應商為輔，發展成本合理化的產品，運用標準化的研發作業流程，提高生產的速度與效率。
- 二、透過教育訓練了解員工特質與專長，以適材適用的方式任用，建立多元化的溝通管道，尊重員工的意見，關懷員工的所需；並且提供員工申訴管道，傾聽其聲音或對公司的建議，要求權責單位主管予以適當適時的回應，讓員工與公司一同成長，提升與改善公司的管理效益。
- 三、公司營運的整體目標績效主要目地為達成員工工作滿意、公司營收成長、顧客滿意，為主要方針。

社會責任

高偉精密除了致力於營收持續成長、員工安心就業外，更結合企業核心能力，在獲利的同時對社會與環境做出具體貢獻。

- 一、舉辦歲末義賣晚會，號召同仁共襄盛舉捐贈物資出來義賣，其義賣所得及公司捐贈之金額，全數捐給罕見疾病基金會。
- 二、每年的贊助藝術家寫生活動，希望透過藝術陶冶心靈，員工不只是為生活打拼，更重視人文藝術的發展，以祈成就和諧的社會。
- 三、定期舉辦捐血活動，鼓勵同仁踴躍捐血，公司額外加贈捐血禮物。
- 四、定期請瑪利亞基金會的身障青年來清潔公司的玻璃，提供就業機會讓這群慢飛天使也可以靠自己的力量賺錢。
- 五、提供在學學生在公司實習及參訪的機會，透過實務作業讓學生發揮所學專長，培養學術及實務經驗兼備之人才，也讓學生提早適應社會及職場。

綜合評語

- (1) 專業木工刀具生產與設計，為全球出口木工刀具之第一大品牌，獲得全球前三大電動工具廠之國際大廠供應鏈認證，通過多項認證，製造技術不斷創新，品質控制嚴謹。
- (2) 發展自有品牌 ARDEN，擁有產品客製化能力、專業技術研究，主要出口至美國、英國及日本等市場，積極導入多項自行研發之專屬自動化設備，打造永續經營競爭力。
- (3) 持續深耕在地，長期關懷與資助弱勢團體，積極與學術機構，進行產學合作及校外實習，更注重員工權益、消費者保護、環保與工安衛等事項。

Export Competitiveness

- I. We have the capability to customize our products one of very few in the world with the ability to customize and produce small quantities and multiple samples.
- II. With our expertise in technical research and development, we continually research, optimize, design, and develop products through materials science, angle analysis, surface treatment, etc. so that the lifecycle of our products are extended and offer optimal safety.
- III. With the capability to develop unique production equipment, we work closely with equipment manufacturers to jointly develop and research unique proprietary production equipment to achieve industry-leading production efficiency and highest precision.
- IV. Through our many years of industry experience, we teach our customers sales techniques and recommended product display tips. We also provide safety parameters of our products to our customers, so we are not only focused on the sale of our products, but also providing value-added services to customers.

The 24th Rising Star Award

Operation Management

- I. We continually enhance our technical competitive advantage through on-the-job mentoring by our experienced technical staff and exchanges with newly cultivated talent. We will also develop cost-optimized products through a customer-centered approach while working closely with suppliers. Through our standardized R&D workflows, we effectively improve production speed and efficiency.
- II. Through education and training, we seek to harness the characteristics and expertise of our employees, appointing them to suitable roles and establishing diversified communication channels. We respect their opinions and care for their needs and provide a channel for employees to voice their complaints or suggestions to the company and request the supervisor of the responsible unit to give appropriate and timely responses. This way, we ensure that our employees can grow with the company and enhance and improve the management efficiency of the company.
- III. The overarching goal of the company's operational performance is to realize employee job satisfaction, company revenue growth, and customer satisfaction.

Social Responsibility

In addition to the continuous growth of revenue and fostering a reassuring work environment for our employees, Arden Precision Technology is committed to integrating its core competencies to enhance profitability while making concrete contributions to society and the environment.

- I. Arden holds an annual year-end charity sale gala dinner and encourages employees to donate goods to the charity sale. All proceeds from the charity as well as the company's contributions are donated to the Taiwan Foundation for Rare Disorders.
- II. Arden sponsors artist sketching activities every year, and hopes that through art, employees will not only focus on work, but also cultivate development of humanities and the arts, thus contribute towards building a harmonious society.
- III. Regular blood donation activities are held to encourage employees to actively donate blood. The company also provides bonus gifts to reward employees for blood donations.
- IV. Arden regularly invites physically and mentally challenged youths from the Maria Social Welfare Foundation to clean the company's windows, providing employment opportunities so that these angels can earn an income through active work.
- V. Provide students internship opportunities and company visits, so that students can hone their technical skills through practical work and cultivate talents with both theory and practice. This allows students to adapt to society and the workplace early.
