Introduction

Logic Art was founded by 5 engineers and has nearly 30 years of practical experience. The mission is to "help Textile Dyeing & Finishing Industry to make the most intelligent and efficient product decisions." Our company culture is "learning, inheriting, hardworking and teamwork", and we keep the ISO principle "Profession, Quality, Service, Creation".

Now, more than 70% of adidas' upstream suppliers have already used LA's dyeing equipment, and we're the only one who can offer Total Solution for Textile Dyeing & Finishing Industry in the world.

Customized innovation", "Persistence in service and quality" and "Trust & Respect" are the important core values of LA. CEO of LA, Tony Chen always said: "If you want to go fast, go alone. If you want to go far, go together.". Based on the concept, the collaboration ability of LA team is stronger day by day. We hope one day, Logic Art will become the Leader of smart dyeing Total Solution in Textile Dyeing & Finishing Industry.

五、國際市場營運

針對不同國家的市場採取「合作夥伴」的經營模式，落實「在地化服務」的方針，台北總公司的角色即是整合所有研發、生產、行銷以及售後服務為一體，定訂「策略聯盟」借力使力的方式，打造 LA 品牌產品的競爭優勢。

營運管理

- 一、經營管理：流亞科技重視團隊協作，建立明確的組織架構，以每年經營會議制定的策略和計畫為行動主軸，藉由流暢的跨部門溝通會議，各部門主管被高度授權運作，充分發揮當責的執行力，使公司順利運作並達成營運目標。同時，公司看重教育訓練，讓員工與公司共同成長，秉持「一個人走得快、一群人走得遠」理念。
- 二、研發創新：研發策略以提升產品獨特性及市場競爭力布局為主，並推動生產力4.0助力與效益加速產業結構優化。
- 三、專業品質：公司的經營模式逐漸走向精實服務管理，強調品牌經營同時，亦強調服務作業流程標準化，以維持服務品質水準。

社會責任
